Paper Making & Painting

July 13-17

9am-3pm

\$200

Suggested ages 7-14

Learn how to make your very own paper using all different sizes and colors! We will add confetti, glitter, wire, ribbon, food coloring, flowers, and whatever else we can think of to create unique, creative paper from scratch! There are lots of projects that your paper could be used for. You could make a book, or paint a one of a kind Masterpiece! Maybe we will just have to do both this summer! To top it off, we will study a famous painter (like Van Gogh or Picasso!) and do some painting on canvas!

Sculpt-a-Maniacs!

July 27-31

9am-3pm

\$200

Suggested ages 7-14

Do you like to use wood, paper mache, clay, plaster, and wire? Then join us for a week of building, constructing, shaping, molding, and painting all types of sculptures. Your imagination will soar as high as the sky and so will your artwork! We will create buildings, animals, and anything else that comes from your wild imagination!
